NOTE OF THANKS

Dear Ms. Elena Jasnogorodskai

Our company Dilers Ltd likes to present you our sincerest gratitude for your assistance as a marketing manager and a mediator for us.

Thanks to your intermediary service and wide network of business contacts our company met many valuable customers, suppliers and service providers.

Your recommendations and suggestions always were precise and true, and we will be glad to have your assistance also in the future. We already know what the easiest and the best way to find proper service or source on the market is to ask you about it.

We thank you very much once again and wish all the best to you and your new business.

Best regards,

Deniss Zaicevs,
